Subject Buildings (other than High schools at District HQ Qrs which have been always a charge upon the D P W) that have to be maintained by the D. P W

The Spl says that there is no order expressly stating that College & High School buildings at District HQ Qrs shd be maintained by the D. P W

Its subd that this has to be specially expressed in the order —

The question of maintaining the other buildings (vide the Spl's letr) from the D. P W budget is subd for orders

Note continued on receipt of letter No 5659 Dated the 19th October 1903 from the Chief Engineer of Mysore.

The Chief Engineer who was consulted, states that he has no objection to maintain the buildings mentioned in the Dfl's list from the D P W's budget from the next official year (1904-1905) He further states that he has made no provision in the D.P W budget for 1903-1904 for the up keep of these buildings He also requires information as to the average expenditure incurred by the Edn Dept in the up keep of these buildings to guide him in making the necessary provision in his budget for 1904-1905

May the Dfl be asked to give the information reqd. by the Chief Engineer?

May an order be issued directing the maintenance of the buildings in question by the D P W.?

Kindly put up a draft accordingly

the Dfl of Edn in Ulsone -

The Dfl was requested in para 2
of order No G 2447/9 Ed dated the 18th
Nov. 1903 to furnish for the information
of the Chief Engineer the average
expenditure incurred in maintaining
the buildings which have thereafter
to be maintained by the D of Ed under
the authority of the order cited
above

The Dfl states now that the
Chief Engineer was given a
list of such buildings with certain
remarks as to when the buildings
came to the charge of the Education Deptt

Again, the Dewan wanted
information as to the cost incurred by
the Edn Deptt in maintaining these
buildings for the last 5 years

Vide his order d 7-11-03 in the previous page of this note

The Dfl was in their office vr
G 3008 d 12-12-03 requested to furnish
the information In reply he sends
the same list furnished to the Chief
Engineer The list shows that 2 buildings
are, already even prior to the date of
the order d. the 18th Nov. 1903, being
maintained by the D of I and that the
other buildings came to the charge of
the Edn Deptt only recently. Hence

Hence it is inferred that the DSL is not in a position to give information as to the cost incurred by the Deptt for the last 5 years as called for

Submitted for orders

Note Contd on Receipt of docket No 6263/225 dt 16/1/04 from the Dy Commr of Coorg

The Dy Commr now states that some of the buildings referred to in G.O No PW 2467-9 dt 18/11/03 have been hitherto maintained from D P W Funds while the others have

~~been~~ built so recently that no Repairs have been made from the Educational Funds In these circumstances he reports that the transfer of the maintenance of these buildings to the D.P.W Budget gives no relief to the Education Budget

Subd Ver 29/11/04 The above info has obtained with reference to the Deputy remarks dated the 7th Nov 1903. As it is now reported that no relief is given to the Education Budget by the transfer, no orders in the matter seem necessary.

From

H J BHABHA, Esq, M A
Inspector General of Education in Mysore

To

V Nanjundayya Esquire M A M L

Secretary to the Government of Mysore

General and Revenue Departments, Bangalore

Sir,

I have the honour to inform you that the only school buildings for the construction and maintenance of which provision is made in the State Funds Budget for Education are those of Taluk Anglo-Vernacular and Vernacular schools The buildings of all Colleges, and High Schools and of Students' Homes, Normal Schools and Industrial Schools when these institutions are located in Government buildings, and also the official quarters of Principals and Head Masters of Colleges and High Schools should in every case be constructed and maintained from the D P W Budget A clear enunciation of this principle of division between the Education and D P W Departments as regards the construction and maintenance of educational buildings has not been laid down, though in accordance with various orders of Government the High Schools

at District Headquarters have been a charge upon the D P W Budget the High Schools at Channapatna and Chikballapur which are not the Headquarters of Districts have till now been constructed and maintained by the Education Department. Leaving out the High Schools at District Headquarters which have always been a charge upon the D P W I submit herewith a list of other scholastic buildings which have hitherto been maintained incorrectly from the funds of the Education Department The construction and maintenance of costly buildings other than those of Taluk Schools entail such heavy expenditure that the Education Budget is unable to bear it without detriment to the interests of the Taluk Schools Under these circumstances I request that Government may be pleased to order that the buildings of the institutions noted in the accompanying statement be constructed and maintained from the D P W budget hereafter

I have the honour to be

Sir

Your most obedient servant

With reference to Your docket No 3347 dated the 2nd instant, I have the honour to inform that the provision for buildings in the Educational Budget from State funds is intended only for Taluk Schools and that the buildings of the High Schools, Industrial and Normal Schools mentioned in the list attached to order No G 2447-3 dated 18th November 03 have hitherto been

either maintained from DPW funds or they have been built so recently that no repairs have been made from Educational Funds under these circumstances the above order directing that these buildings be hereafter maintained by the DPW gives no relief to Educational funds
